

Department President's Bulletin #6

February 2020

Greetings to all Auxiliary members. I hope this bulletin finds you all doing well and, of course, working our programs. This past weekend at Winter Conference all our chairmen did a great job telling us about their programs and what they need next from us. If you didn't get your mid-year reports to the chairman or your district president, please go ahead and send them to them. This will help them when they start on their year-end reports. If you send them electronically, please copy our Department Historian Sandy in on them so she can also have the information to include in her Department History Book.

We were excited to present a new unit charter this weekend. Thanks to the diligence of the legionnaires at Burkesville Post 119 and some people who have wanted to join for a long time, we now have a new unit there. We also have another post who has reached out to get some assistance. Personally, I'm excited. When I go over to the American Legion meeting and speak, I ask the Posts who do not have Auxiliaries to start one. I think they're listening and that is a win for the American Legion Family.

Mark your calendars and make your reservations for the upcoming Spring Conference. The meeting is on Saturday, April 18th at the Holiday Inn at the Cincinnati Airport. We look forward to seeing as many as possible.

Due to inclement weather, I did not get to make the sixth district meeting in Carrollton. My next plans are to attend District 3 – Franklin – Feb 16; District 5 – Shively – March 1; District 4 – Greensburg March 15th, District 6 – Latonia – May 9th and last but certainly not least, District 9 – Ashland – May 16th. I WILL make ALL Districts before the end of this administrative year. Sometimes dates and/or locations must change so if your district falls in this group, please let me know if anything changes.

Keep working hard on your membership (2019 and 2020), recruiting and making ALL members feel included. Our Department Membership team presented a lot of awards last weekend. We were just shy of 80% and that is FABULOUS!! Great job to all who help with membership. They could have presented more but remember, in order to qualify for awards at Winter Conference, you must have paid your VA&R assessments by December 31st. If you go ahead and take care of that oversight, if your unit qualifies for awards by Spring Conference you will receive them. One last thing. Please do not hold membership. Also, if someone is listed as your remit to for dues, ensure that person is still able to receive and take care of those things.

Thanks everyone for all the wonderful things you do for Veterans, Active Duty Military, your communities and children.

PLANNING A POWERFUL POW/MIA REMEMBRANCE SERVICE
LET US NEVER FORGET

Today, there are still more than 83,000 American troops missing in action, according to the Department of Defense Prisoner of War-Missing Personnel Office. That includes some 73,681 from World War II; 7,947 from the Korean War; 126 during the Cold War; 1,657 from the Vietnam War; and six from Iraq and other conflicts. The American Legion Family is dedicated to ensuring that America's POW/MIAs be honored and recognized, not just memorialized. Legion efforts focus on the need to account as fully as possible for those still missing, alive or dead. An important way all Legion Family members create awareness and remembrance for this initiative is through conducting POW/MIA remembrance services at unit meetings and public events. Strong, united support by all Legion Family members is crucial to bringing all of our heroes home.

GET READY: PLANNING AND PREPARATION

Preparations for an event this solemn and sacred should not be left to chance or until the last minute, as every detail in this ceremony is important and symbolic.

The best way to prepare for a successful POW/MIA remembrance ceremony is to do your homework.

In a remembrance service, the script is traditionally read by just one person — an American Legion Auxiliary member (usually the chaplain) or a Legionnaire, and the table is set before the meeting begins. The entire remembrance service, once presented, typically lasts 15 minutes.

SET: GATHER SYMBOLIC ITEMS

A ceremony is appropriate at a more formal event and involves a longer script and up to five participants who prepare the table as the script is read. In a remembrance service, the script is traditionally read by just one person, and the table is set before the meeting begins.

The typical items required for a remembrance service:

- small table covered with a white tablecloth
- plate, fork, knife, spoon, and napkin set up on the table
- glass (inverted)
- chair placed at plate setting
- vase with a single rose in it and a red ribbon tied onto the vase
- slice of lemon on the plate and salt sprinkled onto the plate
- white candle in a holder, lit at the beginning of the ceremony
- POW/MIA flag draped over another chair in front of table
- American flag on the table

More table settings and symbolic items are used in a remembrance ceremony, as this ritual typically honors all five branches of the armed forces.

KNOW: UNDERSTAND THE SYMBOLS

POW/MIA remembrance service full script:

Those who have served, and those currently serving the uniformed services of the United States are ever mindful that the sweetness of enduring peace always has been tainted by the bitterness of personal sacrifice. We are compelled to never forget that while we enjoy our daily pleasures, there are others who have endured and may still be enduring the agonies of pain, deprivation, and internment.

Before we begin our activities this evening, we will pause to remember our prisoners of war and missing in action.

We call your attention to this small table, which occupies a place of dignity and honor near the head table. It is set for one – symbolizing the fact that our armed forces personnel are missing from our ranks. They are referred to as POWs and MIAs.

We call them comrades. They are unable to be with their loved ones and families tonight, so we join together to pay our humble tribute to them, and to bear witness to their continued absence.

The table is small, symbolizing the frailty of one prisoner, alone against his or her oppressors.

The tablecloth is white, symbolic of the purity of intentions to respond to their country's call to arms.

The single rose in the vase signifies the blood they may have shed in sacrifice to ensure the freedom of our beloved United States of America. This rose also reminds us of our missing comrades' families and friends who keep the faith while awaiting their return.

The red ribbon on the vase represents the red ribbons worn on the lapels of thousands who demand with unyielding determination a proper accounting of our comrades who are not among us tonight.

A slice of lemon on the plate reminds us of their bitter fate.

The salt sprinkled on the plate reminds us of the countless fallen tears of families as they wait.

The glass is inverted; they cannot toast with us at this time.

The chair is empty; they are not here.

The candle is reminiscent of the light of hope, which lives in our hearts to illuminate their way home, away from their captors, to the open arms of a grateful nation.

The American flag reminds us that many of them may never return and have paid the supreme sacrifice to insure our freedom.

Let us pray to the Supreme Commander that all of our comrades will soon be back within our ranks.

Let us remember and never forget their sacrifice.

May God forever watch over them and protect them and their families.

Treasurer's Bulletin #2

The new year has arrived, and the time has come for payment of Department Operating Assessments. The Operating Assessments are one of the financial resources to assist in the funding of department operations. These assessments are a flat \$25 plus an amount based on the number of senior members for the calendar year. So, the membership number used is the number of 2019 current senior members on your membership roster as of December 31, 2019 plus the \$25 base amount. The following table is a recap of the amounts due for these assessments.

Please remit the appropriate amount to Department Headquarters by Spring Conference in April. Also, if you have not remitted your VA&R assessments you can remit them by March 31 to be eligible for Membership awards.
