

Welcome to a new month and wealth of opportunities to work our programs. Some of the VA centers seem to be opening to a degree and I know many are anxious to resume those activities. One other that would be great for us to give a great deal of attention to is membership. I realize activities many are used to doing have been absent over the past year. However, your dues help fund our programs for veterans. We are currently over 1100 2021 members below our goal. I am asking you to please help us by working this program diligently so we can catch up. Check out the membership Facebook page for challenges to earn your unit money by reaching some targets. As you work the programs, keep in mind year-end reporting is just a couple of months away so you will want to gather all your information complete with pictures if you have them so you'll be ready when the chairman and district presidents request them. I will need a report of any activities your unit has done over the past couple of years in celebration of our 100 Year milestone. If you have pictures, we'd love to have those as well. Send them in whatever format you'd like (email, letter in the mail, text, etc) just ensure if you send them electronically you send the pictures as a jpeg as that's how I have to send to National.

As of right now Kentucky seems to be in a better place with covid cases. As such, you will also want to be making your arrangements for the Spring Conference. If you are a member of the Executive Board, we will have a brief meeting on that Friday evening. It is important that we get your participation as we handle our business. We are looking forward to seeing as many as possible. Knowing we are not out of the woods yet, we will follow good safety precautions in the meeting room. If you are sick, I urge you to stay home. We will communicate a way you may be able to watch the meeting from the comfort of your home should you not be able to attend.

Thank you all for all the hard work you have done. Toot your own horns and let it be known what that is. You never know. Your unit might be the Department winner of an award or the Southern Division or National winner. We can't get recognized for our success if we don't make it known what we're doing. Given that many have not been able to be active and the financial hardships many may have faced over this past year, I have not mentioned as much about my special project but it did remain Operation Comfort Warriors and any amount you, your unit or post would like to donate to this worthwhile cause would be much appreciated.

Education  
March 2021

Guidance has come down from National HQ to disregard any prerequisites for the ACT or SAT scores when reviewing scholarship applications for this year. All national scholarship applications need to be received by Southern Division no later than APRIL 1st, please email your unit's selected winner(s) to me at [whittneydallaire@yahoo.com](mailto:whittneydallaire@yahoo.com) since the postal service has had so many delays. I must receive year-end reports no later than May 1st so that I can compile the final report for our department. These reports will encompass May 2019-May 2021 and any photos you may have for your unit will be very helpful in showcasing our department. Please email reports and photos to me as well.

With all that we have been experiencing lately, it is important that we reach out to our units and remind them all of the reporting deadlines. The Facebook page for ALA KY's Education Program is: <https://www.facebook.com/alakyeducation> and I would love to see the page being utilized to show all of Facebook what our units do for their local students and educators. I could easily grab any photos that are posted to the page myself, so long as the person submitting them uses the Unit # and an approximate date when creating the post.

Although it doesn't exactly pertain to the Education Program, I have started the ALA Academy online and it has taught me loads of information. I encourage at least a couple of people in each unit to familiarize themselves with this information. There is no such thing as too much knowledge, especially when it's free and done in your own home!

Stay safe and healthy out there,

## National Security March 2021

The National Security program maintains and promotes a strong national defense by strengthening and supporting military servicemembers and their families.

### **A few things that you can do:**

**A) Support the emotional and social needs of active, reserve and transitioning military servicemembers and their families.**

### **Ideas for an Individual Member:**

- Let your unit know of any military families or businesses that should receive a Blue Star or Gold Star Banner in recognition of a servicemember's service.
- Provide support on a spouse-to-spouse or family-to-family basis, such as to a family member, neighbor or another military family. Refer to the ALA Military Family Readiness Action Guide for specific suggestions of the type of support military families may value.
- Provide assistance to servicemembers and their families directly affected by current conflicts.
- Become more informed about issues affecting a military family's home life and the resources available to help, such as PTSD, TBI, domestic violence, financial literacy and other issues.
- Refer servicemembers with financial assistance needs to the American Red Cross Armed Forces Call Center at 1 (877) 272-7337.

### **Support the National Security programs of The American Legion.**

### **Ideas for the Individual Member:**

Hopefully our winter is over but, some things to remember for the future:

- Build and/or help a neighbor build an emergency preparedness kit and plan.
- Remember, new military families in your community may not be familiar with the types of emergencies that affect your area. As needed, help them update their emergency kit and plan.
- Sign up for the Legion's Legislative Action Alerts, and be sure to act on the ones regarding a strong national defense and affecting current and transitioning servicemembers and their families.
- Donate blood.

### **Ideas for the Unit:**

- Join with your Legion post to host a POW/MIA ceremony on National POW/MIA Recognition Day, commemorated annually on the third Friday of September - September 18, 2020.
- Follow the Legion's POW/MIA Empty Chair Resolution 288 for designating a POW/MIA Empty Chair at all official meetings.
- Host a remembrance event for any MIA servicemembers who have been identified from your area.

- Get involved in the Citizen Corps Council ([www.ready.gov](http://www.ready.gov)) to ensure citizens are prepared to respond to natural disasters such as floods, hurricanes, blizzards and manmade disasters and emergencies.
- Junior members can get involved in and/or start a Youth Preparedness Program in their community.
- Collect supplies for emergency preparedness kits and distribute them in your community.

Remember: new military families in your community may not be familiar with the types of emergencies that affect your area. As needed, help them update their emergency preparedness kit and plan.

- Have a training exercise in your post home to give training in first aid, CPR or other types of emergency skills.
- Work with Legion posts to honor ROTC and JROTC cadets by having dinners and recognizing their accomplishments.
- Support future military by presenting ROTC and JROTC recognition awards.
- Support your Legion department and posts to raise funds for Operation Comfort Warriors to provide supplies to wounded servicemembers.
- Work with your ALA and Legion department legislative committees around topics that ensure a strong national defense and support current and transitioning servicemembers and their families.

## Pennyroyal Veterans Center

Well it's been quite a challenging time meeting the needs of the Veterans at the center, but all the obstacles have not stopped the ALA and other organizations from accomplishing good deeds. I encourage any units near by that want to help and make a difference to please contact me and I will steer you in the right direction or make sure they receive what is donated.

The center has bounced back and forth from being open with a limited number of people allowed in and following CDC Guidelines to being shut down with no one allowed to enter. Currently they are shut down but don't let that stop you from donating. The contact we go through to set up visits is willing to meet off the center's grounds and accept the generosity of all that want to support the Veterans.

Items they like to receive are bedding to include pillows, sheets, and blankets, hygiene products, socks, meals and special treats or goodies, and puzzles and games. Everything is equally divided, so every Veteran is a recipient of the items or has access to them.

It has been a pleasure and honor to be the Liaison for the Pennyroyal Veterans Center.

Also when you have deceased members please notify the Department Secretary and Chaplain, so it can be documented in Department. **Please make sure all your members are informed that they can pay their dues online @ [alaforveterans.org](http://alaforveterans.org), by phone to National 1-317-569-4564 or by paying to their unit and the unit sending dues and transmittal to Department. Do not send any paperwork to National because it needs to go through Department.**
