

March 2017 Bulletin

Betty Butler

Dept. President

This year is really going by fast. Just got back from the Awareness Assembly in Washington, DC. It was a good trip(except for the plane ride back which was a little bumpy)!!! I went to a 4 Chaplains Program in Madisonville and a District meeting in Russellville. Hattie Buckner, Diane Barbee, Robert Dalton and myself went to the VA Hospital in Lexington on February 14th to give out Valentines to the Veterans. They really enjoyed that and we did too.

Ladies, we need to work on Membership really hard. We are still behind from this time last year. We just need to ask everyone we meet to see about joining the Auxiliary. While meeting with Representative Barr and then his aide, when the aide mentioned that he was active military in the Air Force, Diane asked him if he belonged to the American Legion and he said he hadn't thought about it. I pulled out an application for him, his wife and any children to join the American Legion Family. I understand one group even signed up a Senator! Let's get busy and get those membership dues in.

It will also be time shortly to do end of the year reports. I know every unit has done something for the Auxiliary programs so lets report it even if you only did one thing. When it is added with other reports, it helps the numbers.

REPORT REPORT REPORT REPORT REPORT

I'm looking forward to some great reports at the Spring conference on April 14 and 15th. We will have our National President and Southern Division National President in attendance

If you have any questions or need help with something, just give me a call.

Keep praying for our Troops wherever they may be.

Betty Butler
