

Kentucky Education Action Plan 2022-2023

American Legion Auxiliary Scholarships

- Promote the American Legion Auxiliary Scholarships at the District and Department Conferences through in person attendance by the Chairman.
- Provide copies of scholarship applications to the Unit Presidents at Department and District conferences.
- Provide awareness of the scholarship applications that are available on the Department of KY and the National websites.
- Post the Department and National scholarship submission deadlines to the units and Department Chairman via the Department bulletins, website, and Facebook.

Support Give 10 to Education

- Encourage each unit to participate in the Give 10 to Education program by buying items in increments of 10 with help from their Post as well.
- Encourage each unit to partner with an elementary school in their area to help provide needed supplies.
- Provide information on printing the forms from the Department website.
- Encourage units to share their successes with photos for the Facebook page so they can be shared with National.

American Education Week and Teacher Appreciation Week

- Provide American Education Week and Teacher Appreciation Week dates to units via department bulletins and Facebook.
- Encourage units to send cards of appreciation, gift cards, snack baskets, etc. to teachers and local school staff. (bus drivers, custodians, front office)

Education Reporting

- Provide information to the Southern Division Chairman for Mid Year (if required) and End of Year Report deadlines.
- Report to the Southern Division Chairman the scholarship information before the required deadline.

Education Awards

- Provide recognition trophies and certificates to all units that have participated in all the important education weeks, Give 10 to Education, and scholarship programs
 - Provide the Southern Division Chairman with the names of the units and their accomplishments for recognition on the National level.
