

Department President's Bulletin #4

February 2021

A special hello to all Auxiliary members. I am starting this bulletin out with an apology. December and January I failed to send my normal monthly communications. We had a family medical emergency right before I was to have the December bulletin to Jennifer then I had a knee replacement before time to send the January bulletin. I appreciate Jennifer communicating on my behalf and I hope that you all can accept my apology. The last thing I ever wanted to do was let you all down. The closer it got to time, time just ran out on me. I hope you can forgive me for those two months. I did manage to get most all my Christmas cards out to the units, department chairman and officers before surgery. In the unit, the President, Secretary or Vice President would have received it with in care of your unit on the envelope. If your unit did not receive one, please email me and let me know. There were a few where I had issues finding an address to send it to.

Thank you to all the chairman for getting your mid-year reports to Southern Division Chairman and/or to the National Chairman. Kentucky does awesome work and it does us proud to report what we do. If you happened to not get your mid-year reports to the Department chairman, please send it to them. That gives them a head start on year-end reporting.

Since the pandemic keeps preventing us from having conferences and being able to share successes in person, I'd ask that all chairman make it a point over these next months to ensure you communicate through bulletins so that we continue to focus on and report to you what we are doing. Also, District Presidents as you are making contact checking on your units, find out what they are doing and any needs they may have. You will also have a year end report that goes in the convention book of reports so it's not too early to make those communications.

Membership has slowed quite a bit. Please remind members they can pay online, by phone to national or put their dues in the mail to your remit to person and then get their cards mailed back to them. Membership and the dues collected help make our organization operate. Without them, where would we be? We are also still cleaning up 2020 unpaid dues. Please look at your rosters and ensure you help your members get caught up. This past year has been different, and many have struggled through no fault of their own. We don't want to lose any members so please help us push to get caught up on both 2020 and 2021 dues. I'm being a little selfish here but we will have the next National President and if we get ourselves caught up now on these two years' worth of dues, then it will be easier to get ourselves to 100% in membership during the year our very own leads us on the National stage. The Department Membership team will be making calls, emails, and other means of contact to members, unit membership chairman and other officers soliciting your help in this endeavor.

Finally, we have experienced many losses over the course the 2019 -2021 extended administrative year. Please ensure you send those names from your unit to the Department Chaplain and Secretary. Though it saddens us to lose our members, we do honor their service at Department Convention and don't want to miss anyone. Also, in making this communication it allows our Secretary to ensure they are properly changed in the system to deceased. The last thing we want to do is add to a family's grief by sending communications to their loved one. I pray that you all stay safe as possible with the pandemic still in full swing and please do buddy checks. A phone call, text, email, postcard, or short note in the mail goes a long way to brighten a person's day.

CHILDREN & YOUTH BULLETIN
FEBRUARY 2021

Greetings fellow auxiliary members. I want to take this opportunity to thank all of you who sent a mid-year report. I was able to send a very nice report to our Southern Division Chairman Gabrielle Barnett and National Chairman Lisa Williamson. For those who didn't send one, you still can. I don't need it in any special format. Just let me know the following and when I do my yearend report, I can add your information to what I have:

- What activity your unit did
- How many volunteers participated
- How many children were served/involved
- How much money was spent
- How many hours your volunteers put in
- If you have photos of the event, attach them to the email

Thank you for all you do to support the children in your communities and for what you do to support the children of our military members. You make a difference in a child's life with each kind act.

Hello Ladies,

I have a plan for all units for the Poppy Program, Host a completely non-contact drive thru poppy drive thru.

With everything being paused one minute and open the next this will be a good way you can show your support for our veterans from the safety of your car!

The drive through will provide poppies set up to circle around the building or parking lot, there will be informational posters lining the drive about what the poppy actually means and how it can be used to honor the fallen and support the living!

Poppy day is celebrated in countries around the world. The American Legion brought National Poppy Day to the United states by asking Congress to designate the Friday before Memorial Day as National Poppy Day.

Remember to bring the coloring pages from Fall Conference for the coloring contest.

Have a great day

Lexington VA Vaccinates 4k Veterans for COVID-19

LEXINGTON — The Lexington VA Health Care System vaccinated more than 4,000 | veterans 50 years old and older during its three-day COVID-19 Vaccine Walk-in Clinic Jan. 16 through 19.

The Walk-In Clinic allowed the Lexington VAHCS to reach Veterans who normally do not receive their healthcare through VA. Over the three days, the Lexington VA enrolled more 800 Veterans into the system.

"I am just so proud of my team," said Gregory W. Goins, Lexington VA Health Care System director. "This was a huge undertaking, but one that needed to be done. They did not disappoint and veterans in our Central Kentucky community are not only very happy because of their hard work, but they are safer because of it."

Veterans not only came from Kentucky to get the vaccine, but also from around the country, including Arizona, Texas, West Virginia, Michigan, Ohio, and Tennessee.

The Lexington VA was one of VA's 37 initial VA Medical Centers to receive the vaccine and administers the Pfizer-BioNTech Vaccine. Veterans who received their first dose of the vaccine at the walk-in clinic were scheduled to return for the required second dose 21-days later.

The Lexington VAHCS follows VA's [COVID-19 Vaccine Distribution Plan](#). VA's ultimate goal is to offer COVID-19 vaccinations to all Veterans and employees who want to be vaccinated. As vaccine supplies increase, VA care teams will reach out to eligible Veterans to schedule vaccinations. There is no need to preregister or come to a facility to sign up.

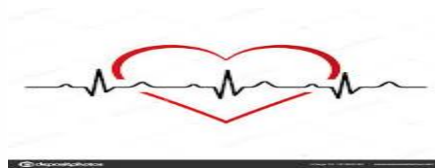

Veterans can get up-to-date information and sign up to receive updates on VA's [COVID Vaccine webpage](#).

For more information, contact Patrick Sinclair at Patrick.Sinclair@va.gov; Anna Mills at AnnaR.Mills@va.gov or the entire Lexington VAHCS public affairs team at VHALEX.PAO@VA.gov.

February 2021 Membership Bulletin

Hello Auxiliary Family,

We are so proud of your dedication and everything you do! The Membership Team hopes everyone is staying safe. **Congratulations to Units 46 Danville, 219 Alexandria and Unit 257 Millersburg for reaching 100% in membership.** Department membership is currently at 71.10% for the 2021 membership year! We would love for Team Kentucky to be at 100% for National Convention! **Thank you to all units who have been working on 2020 and 2021 dues!**

We are asking all units to completely go through their entire roster. If you have members on your roster who have not paid their dues for a while or you have elderly members you have not checked in on, please do so. We have received a few questions regarding membership and would like to clarify;

1. The unit may not pay their members' dues online, only the member can.
2. If a member transfers units during the same membership year they are considered a transfer not a rejoin.
3. We are asking each unit to provide their membership chairman a copy of all bulletins; this will help them do their job more efficiently.

Now is an essential time to ensure all your member's dues are current, so they have access to all their member benefits.

Please check in on your members, Veterans and their families! Continue to work on collecting 2020 and 2021 dues (renewals, rejoins and new members)!

The Membership Team will continue to reach out to units and check in. We would like to remind all units to make sure their Leadership contact information on ALAMIS is correct. We need a contact email and/or phone number for membership for each unit. When we contact you, please respond, it may be that we are simply checking in on your unit. Also when you have deceased members please notify the Department Secretary and Chaplain, so it can be documented in Department. **Please make sure all your members are informed that they can pay their dues online @ alaforveterans.org, by phone to National 1-317-569-4564 or by paying to their unit and the unit sending dues and transmittal to Department. Do not send any paperwork to National because it needs to go through Department.**

Tools are in place to help you at; alaforveterans.org and our Department Membership Facebook page @ ALA Dept. of KY Membership. If you need help or have questions please feel free to reach out to the Membership Team!

Be kind, find your joy and include all members!
